CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. POLK & CO. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertisements or subscriptions.

THE "EFFICIENCY SERVICE" MAN AND HIS PROPOSITION

He combines under one contract all the trades and with his "DUPLEX SYSTEM" is enabled at a minimum cost to reconstruct old properties, not now paying because of being out-of-date, illy-arranged, etc., making them into convenient, comfortable and good paying properties by reducing the size of rooms, combining them into small apartments easily accessible, moderate rent with up-to-date equipment which insures permanent tenants without loss by reason of being idle, as well as protection against damage either through depreciation or destruction.

All of this can be brought about often with but little expense, a change here and there and it is done. This service covers also the care and oversight of properties in the absence of owners; inside, as well as outside finish, roof and flue work, etc. The Ladies' Home Course of Interior Decorating is also a feature of the "EFFICIENCY SERVICE" proposition in which our decorators come on to the job as instructors, giving the lady the advantage of acquainting herself with the mixing and application of stains, paints, varnishes, etc.

THE REST HOME

at 741-743 West Nineteenth Street is both a private institution and a school. A Private Institution for the treatment of acute and chronic Mental, Nervous and Functional disorders. This is the only institution of its kind in America—established upon the

Psychological Method of Treatment

massage or manipulative vibratory treatments for the entire body, special diets, hydrotherapy, curative gymnastics, science of the breath of life. Efficient medical advice and services are present. The Rest Home has none of the institutional features whatever—it reminds one of a large inn, the two solariums have plenty of good literature, music and games. The Rest Home embraces all of the features of a well organized and well directed home, with the object or purpose to assist physicians to restore their patients to normal usefulness as well as bodily and mental vigor. The Rest Home solicits patronage and invites inquiries.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. POLK & CO. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertisements or subscriptions.
